## Mission Centre Conference

Guest ministry at the Mission Centre Conference on Sunday March 21<sup>st</sup> will be brought by Apostle Leonard Young. After ten years as our apostle this will be the last Conference that he will attend serving in this role. A programme for the day is attached. We would encourage as many people as possible to attend what we believe will be a very special day.

## Outreach International

Please keep in your prayers Matt Bolton and Wayne Rowe, who will be travelling from London to Haiti in early March, as part of Outreach International's ongoing relief efforts. Outreach International has been blessed greatly by the support and expertise that comes from the British Isles. Thank you.

Please continue to support the relief efforts for the victims of Haiti and others living in abject poverty around the world. Sign up for regular updates at [outreach-international.org](http://outreach-international.org) "

## Sad News

It is with sadness that we share news of the death, earlier this week of Anne Ashton (sister of Maureen Allen) of the Birmingham congregation.

The funeral will take place at West Bromwich crematorium (Newton Road) on Thursday, 11th March at 12 noon.

Please remember Maureen and the family in your prayers.

## Dennis Aldridge

As avid readers of News Update will know Dennis suffered a heart attack and stroke early in the New Year. The stroke affected his left side, but during the episode he fell badly and damaged his right arm and shoulder, so with doctors, nurses, physiotherapists et al he has been receiving treatment of many sorts since he was discharged from hospital on 13th January. During this period part of the "treatment" was a blood test, and as a result of that he is now felt to need a prostate biopsy, which is due to be carried out on 11th March at Hereford County Hospital. As someone has said, "It never rains but it pours!" He actually feels better each day and has the use of his left side again so that but for the biopsy..... Prayers are requested, please. In the meantime it is unlikely that Dennis will be able to give time and concentration to the production of an Easter Rise Magazine, and it would be unfair to leave it all to Vikki, his co-editor. He hopes to be fit for the Summer Issue.

## New House Church Co-ordinators

We are pleased to be able to share with you that Sue and Paul Norton have been elected as the House Church co-ordinators of the Kington group. Bill Coates has been appointed as financial officer

Please remember each of them in your prayers as they begin their new roles.
